Message from the Chairman of

Global Treasure Bank

Dear Esteemed Shareholders and Customers,

I am delighted to extend my warmest greetings and wishing you all both physical and mental well-being.

Our bank established on 15th February in 1996 under the name of Myanma Livestock and Fisheries Development Bank has already marked the 31st Anniversary with the name changed into the Global Treasure Bank (Public Company Limited) from 1st July of 2013, and we are offering banking services.

To facilitate our customers, we are providing services with 177 branch banks, comprising 170 full branches 7, mini branches. Nevertheless, only 143 branch banks are operational with the remaining 34 being temporarily closed for regional security reasons.

Concerning technology, commencing from November in 2018, Infosys Core Banking System Go-Live was introduced. In carrying out the banking activities, the guidance of the Central Bank of Myanmar has been followed to upgrade the banking system. Investment has been made to enable the proper use of the network connections as well as to keep the security system abreast of time. Likewise, the Department of Information and Technology has been providing supervision to enable the staff from the bank branches to use the banking system properly, to handle the machines skillfully and to improve their technological skills.

Additionally, GTB, in cooperation with the UnionPay International(UPI) based in the People's Republic of China, is issuing the GTB UnionPay Single Brand Credit Cards to enable its customers to use them not only within the country but also in 181 nation across the world.

GTB is engaged in foreign banking activities as it has been issued with the Authorized Dealer License of the Central Bank of Myanmar. In this regard, GTB has opened Money Changer Counters which are selling USD, Euro, SGD, Thai Baht and MYR.

Additionally, Nostro Accounts have been opened with four correspondent banks, and establishing RMA with four foreign banks, GTB is carrying out export/import services, bank guarantee service and trade financing, TT/LC. GTB is cooperating with the Western Union through which the business of remittance is being done with Myanmar nationals from 78 countries. During fiscal 2025-2026, the remittance numbered 45,741 in total. The countries that made the greatest number of remittance were; Malaysia, America, Singapore, Japan, Australia and Thai.

And what is more, GTB and UAB have signed a bilateral agreement to be engaged in the process of making transferred payments for the maritime trade i.e. normal trade and the border trade activities. Upon receipt of the permission from the Central Bank of Myanmar, the aforesaid activities can be started.

Additionally, the GTB Mobile Wallet - the GTB Pay, GTB Agent, GTB Merchant is available for digital banking services like transfer between GTB Pay Accounts, linking GTB Pay and GTB Agent to bank accounts, doing Wallet Cash-In from MPU Cards from other banks and GTB Agents, paying in the electric meter bills, topping up the phone bills and the salaries and bonuses of the employees.

This can also make payments with MyanmarPay MMQR Merchant and also with other banks through whose applications payments can be made to the QR of the GTB Merchants.

With the use of GTB Pay/ GTB Agent, the electric meter bills can now be paid in Yangon Region, Mandalay Region and NayPyiTaw, the Union Territory in addition to Magway Region, Ayeyarwady Region, and Bago Region plus Mon State.

As for the Compliance Department, it has already updated the compliance policy and risk management policy to be in accord with the newly defined provisions of AML/CFT issued on 11st March of 2026.

And these new AML/ CFT policies and procedures as well as the directives of the CBM are being communicated to the staff from the H.O Departments and bank branches. They are also being given the awareness of preventive measures and their duty to do the reporting as and when necessary.

Concerning the Corporate Social Responsibility (CSR), GTB has formed Treasure Heart, which during 2025-2026 fiscal, contributed fund amounting to Kyats 106.69 million for those suffering from catastrophic disasters, the poverty-stricken people, philanthropist activities and religious affairs. The donation amounted to Kyats 1,115.89 million as of the period under report.

In conclusion, we are effectuating technological and monetary development, and we are strongly confident that GTB will be able to realize its motto "Your Dream, Your Success, Global Treasure Bank". We also wish GTB becoming a bank which is achieving success in both local and foreign banking services.

With a million thanks,

Maung Maung Thein
Chairman

(e) Changes of township symbol of citizenship scrutiny cards

As directed by CBM, GTB has already made changes of township symbol of citizenship scrutiny cards. In this regard, an awareness talk was held on 20th May in 2026 with the officers and other ranks from all bank branches of GTB in attendance.

18. Corporate Social Responsibility (CSR) Activities

GTB has been actively engaged 83 activities in the Corporate Social Responsibility (CSR) activities, having formed the Treasure Heart Social Support Association with the following objectives:

(a) To provide medicines, food and other requirements to the needy concerning healthcare;

(b) To provide the youth for their education and all-round development;

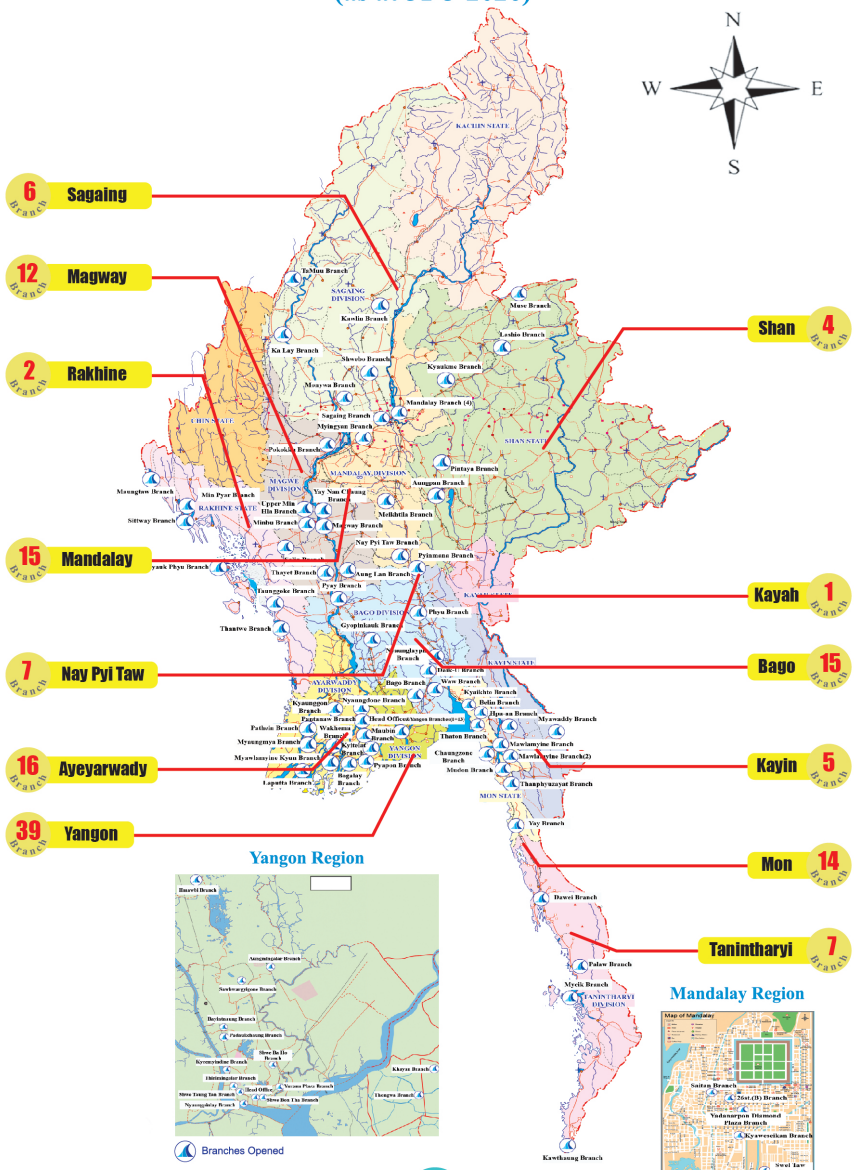

(c) To go to the disaster affected areas and provide assistance; and

(d) To provide the helpless aged with food and drugs.

Therefore, our employees monthly contribute Kyats 3,000 at least from their salary to implement the above stated objectives. Their donations in 2025-2026 was Kyats 106.6 million and 958.7 million Kyats in total.
